INSTRUCTIONS

Section 1 – Choose one of the following deferment types:

- A. At least Half-time Student (Federal Perkins and NC State University Institutional Loans)** - To receive an in-school deferment, the borrower must be enrolled as a regular student in an eligible institution of higher education or a comparable institution outside the United States approved by the Department for deferment purposes. A regular student is one who is enrolled for the purpose of obtaining a degree or certificate. Half-time is usually defined as at least 6 credit per semester for undergraduates and at least 3 credits per semester for graduate students.
- B. Internship or Residency or Advanced Professional Training (Federal Perkins Loans and NC State University Institutional Loans)** - Only loans received **prior to 7/1/1993** are eligible for intern or residency deferment.
- C. Volunteer in the Peace Corps (NC State University Institutional Loans)** - Borrowers who volunteer under the Peace Corps Act are eligible for deferment for up to three years. Such service performed during the grace period does not count as part of the maximum deferment period for which the borrower is eligible, nor does it entitle the borrower to a grace period after the deferment period ends.
- D. Graduate / Fellowship (Federal Perkins and NC State University Institutional Loans)** - A borrower enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Department may defer payments. A borrower is engaged in graduate or postgraduate fellowship-supported study such as a Fulbright grant outside the United States.
- E. Rehabilitation Training Program for Disabled Individuals (Federal Perkins and NC State Institutional Loans)** – A borrower may defer repayment if he or she is enrolled in a course of study that is part of a Department-approved rehabilitation-training program for disabled individuals. To receive this deferment, the borrower must provide the school with certification that: • the borrower is receiving, or scheduled to receive, rehabilitation training from the agency; • the agency is licensed, approved, certified, or otherwise recognized by a State agency responsible for programs in vocational rehabilitation, drug abuse treatment, mental health services, or alcohol abuse treatment; or by the Department of Veterans Affairs; and • the agency provides or will provide the borrower rehabilitation services under a written plan that (1) is individualized to meet the borrower's needs; (2) specifies the date that services will end; (3) is structured in a way that requires substantial commitment from the borrower. A substantial commitment from the borrower is a commitment of time and effort that would normally prevent the borrower from holding a full-time job either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

Section 2 – Enter the dates for which you are requesting a deferment. Please note that deferments are granted for a 12-month period only. Borrowers will need to reapply for subsequent periods for which they are eligible for a deferment.

Section 3 – The borrower must sign and date the deferment form.

Section 4 – The deferment form must be signed and certified by the School/Agency/Institution Official who is able to verify the validity of the deferment the borrower is requesting.
