CERTIFICATION FOR EMPLOYEE OF CHILD OR FAMILY SERVICE AGENCY

To receive a loan cancellation for being employed at a child or family services agency, you must be providing services only to high-risk children who are from low-income communities. You may also be providing services to adults, but these adults must be members of the families of the children for whom the services are provided. The services provided to adults must be secondary to the services provided to the high-risk children. An elementary or secondary school system or a hospital is not an eligible employing agency.
