Forbearance Interest Acknowledgement Statement

Forbearance is a temporary postponement of payments, an extension of time allowed for making payments, or the acceptance of smaller payments than were previously scheduled.

Interest will continue to accrue during any period of forbearance. Any accrued interest is due and payable in full, along with the first regularly scheduled payment, immediately following the period of forbearance.

The borrower has the option to make payments towards accrued interest during any forbearance period.

Any accrued interest must be paid in full prior to additional periods of forbearance being granted.

All borrowers are required to continue making scheduled payments until written confirmation, of the approved forbearance, has been received.

I understand and agree to the above listed statements and conditions.
