

ECSI TUITION PAYMENT PLAN Tuition Payment Plan

"We are a small private college in Northern California and have been using the Tuition payment plan for over ten years. As far as I am concerned, it cannot be beat! Everything is on the same system and you have complete history and memos at your fingertips." — Gerry Glantz, Pacific Union

College, Angwin, CA

Tuition Payment Plans Made Easy

At ECSI, we know how important Tuition Payment Plans (TPPs) are to the financial health of your school. By utilizing our Industry-Leading Technology, you'll be able to outsource your administrative workload, while maintaining the control you desire.

To begin the process, ECSI will provide your students with a fully customized, Web-based TPP Application, which is available 24/7. Each month, we'll mail your billing statements and process all payments upon receipt. By utilizing our Payment File Interface, all payments may be uploaded into your SIS System to quickly reconcile your data and eliminate manual payment-postings.

In addition, our Internet-based SAL System and Web site will provide you and your staff with real-time access to view all of your TPP Accounts. In addition, your students and their parents will appreciate the unlimited access to our secure, user-friendly Web site to view important TPP Account Information. After successfully logging in, your students have the ability to update their demographic and banking information, view their current account balances, sign up for eBills and make ePayments via ACH or Credit Card.

Benefits for You

Just as important, our Application Rebate & Merchant Fee Savings can literally generate tens of thousands of dollars in new revenue for your school. And unlike other Tuition Payment Plan Providers, all funds received from your students are processed daily and forwarded to you four (4) times per month to help generate even more Interest Income for your school.

World Class Customer Service

As an ECSI Client, you'll have access to the Highest Levels of Customer Service and Support in the Industry. Unlike our competitors, ECSI does not have an Automated Phone System or Voicemail. When needed, your staff and students can reach a live, experienced ECSI Customer Service Representative from 7:30 a.m. to 8:00 p.m. EST, Monday through Friday. At ECSI, all requests and inquiries are responded to within 24 hours or less, providing you and your students with World Class Customer Service that will exceed your expectations.
