The ten payment plan is a distinct five month plan for fall and five month plan for spring. Each semester must be paid independently of the other. If under-budgeted for a semester, an additional payment will need to be paid before the semester begins. The ten payment plan runs from June 5 – March 5.

Missed or late payments are subject to a late payment fee.

The University reserves the right to cancel a student from the Tuition Payment Plan (TPP) for late or missed payment. Upon cancellation from the TPP, the semester's tuition and fees are due in full.
