

Subject: Lancaster General College of Nursing and Health Services Exit Interview (00000001)
Importance: High

Dear Student:

During your enrollment at Lancaster General College of Nursing and Health Services, you received a Nursing Student Loan.

These loans are educational loans that must be repaid.

Our records indicate that you will either be graduating at the end of the current semester, or you are not pre-registered for the six-credit minimum for the current semester. Therefore, you will soon go into repayment on your loan and must complete an exit interview.

It is a federal requirement for all students who have borrowed through the Federal Health Profession Loan Programs to complete this exit-counseling requirement. Exit interviews provide a complete explanation of repayment, deferment and cancellation privileges that pertain to your particular student loan.

Students who are continuing their education at another institution must complete this exit interview. If for some reason you have not received deferment status for your Student Loan, you must complete the appropriate form supplied by the institution you are attending for verification of enrollment or you may obtain a form online at www.ecsi.net to be sent to ECSI for processing.

To complete your On-Line Exit Interview, please access ECSI's Website at <https://borrower.ecsi.net/>
